## Fall Festival Edition By Avery Jackson

Just like EVERY year at Alderman Oaks: Halloween and the Fall Festival were a blast! During the festival musical artists, The Sparrows, sang many celebratory songs, Chef Mary and Elder served burgers and bratwursts, and antique car collectors in the Sarasota region showed up in their hot rods for residents and staff to admire. Stay tuned for a fun video of the event debuting this week on our website AldermanOaks.com and our Facebook page, Alderman Oaks.

On Halloween, most residents welcomed costume clad children trick or treating in the halls with smiles and candy! Even our staff joined the festivities with fun outfits and costumes! A few staffers even adopted completely different personalities... Stella and Mable are now honorary residents and are welcome back anytime, especially for exercise class!

With Thanksgiving just around the corner, it is safe to say that Alderman Oaks is thankful for the people in this building, as well as our many visitors.
