What Are Advance Directives?

Advance Directives are legal documents that allow you to spell out your decisions about end-of-life care, ahead of time. They give you a way to tell your wishes to family, friends, and health care professionals and to avoid confusion later on. Most importantly, you will have the opportunity to make very personal health care decisions yourself.

Seminar Topics will include an in-depth review of:
Living Will □ Health Care Power of Attorney
Financial Power of Attorney □ Last Will & Testament
□ Declaration of Preneed Guardian
