

Health & Wellness Tourism Program at Alderman Oaks

Downtown Sarasota's Premier Rental Retirement Residence

Alderman Oaks is offering comprehensive short-term rental packages for attractively-furnished, spacious, one- and two-bedroom apartments.

Should you be planning a trip to Sarasota for health or medical related purposes we offer a creative alternative to serve the diversified needs of individuals ranging from very independent residents to various levels of assisted living.

For a similar daily cost to a reasonably priced hotel room, with a two-week minimum stay, we will provide the furnished apartment, transportation, and optional meal plans - all in a safe, convenient, friendly, home environment with concierge activities and services.
