

**iTN SunCoast™**

*More Than Just A Ride!*

Your non-profit transportation option  
serving Sarasota & Manatee Counties

## **A Special Transportation Program Benefiting Alderman Oaks Residents**

### **ITN Purpose:**

In addition to regularly scheduled transportation, Alderman Oaks Leadership is interested in helping its members (residents) secure transportation for activities such as church services and community activities in Sarasota and Manatee counties. ITN's website is [www.itnsuncoast.org](http://www.itnsuncoast.org).

Rides provided under our agreement with ITN have no limitations on purpose, frequency or destination of rides within the defined Service Area. However, they currently do not provide weekend rides due to the lack of capacity to fulfill them. In addition, due to the pandemic, they are requiring members and drivers to wear masks when in the vehicle. Also, they require members to ride in the backseat of the vehicle for social distancing and safety purposes.

### **Description of Services:**

Under this agreement, ITN will provide rides to residents of Alderman Oaks as requested by management of Alderman Oaks. Ride requests must be made by a member of the Alderman Oaks Staff calling iTN by no later than 1 pm the day prior to the date of the requested ride. On the day before a ride is to take place, iTN will call Alderman Oaks confirming the upcoming ride and identifying the driver who will be providing the ride.

iTN does not have the capacity to provide rides to individuals in wheelchairs, unless the rider can transfer themselves and the wheelchair can be folded and placed in a trunk or backseat. This type of service has to be communicated and approved before the ride takes place.

### **Service Highlights**

- **Arm thru Arm**
