

a unique retirement residence

Baby It's Cold Outside ... A Great Alternative for a Winter Seasonal Stay

Downtown Sarasota's Premier Rental Retirement Residence

Alderman Oaks is offering seasonal rental packages for attractively-furnished, spacious, one- bedroom apartments.

Especially during these uncertain times we are a great option in getting away from a wintry climate and an excellent way to explore possible longer-term benefits of residing in a Senior Living Community.

We encourage local residents to consider inviting family and friends to join in their lifestyle. We provide the apartment, scheduled transportation, and optional meal plans – all in a very supportive setting.
