JAZZ, WINE & CHEESE**

You are invited to a special intimate performance put on by the Sarasota Jazz Project. We will be enjoying wine and cheese under the shade of our Oak trees, while listening to Jazz selections played by either a trio or quartet from the group. We plan to host this event on a regularly scheduled basis (weather permitting). No RSVP is necessary.

Sarasota Jazz Project is a high energy 17 piece jazz ensemble comprised of some of the finest musicians on the West Coast of Florida. These talented all-stars play both original compositions and standard tunes, creatively arranged in a unique contemporary Big Band style. Whether you dance, or listen or both, be prepared to be thoroughly entertained. The Sarasota Jazz Project Big Band performs at jazz concerts, clubs, schools, universities, private clubs, and Jazz Club of Sarasota events throughout the year.
