

Concierge Health & Wellness Program

Alderman Oaks Residents

CONCIERGE HEALTH & WELLNESS PROGRAM COORDINATOR

Susan Vowels, Owner of Nursing Styles

(941) 378-8822 or Susan@nursingstyles.com

The Concierge Health & Wellness Program at Alderman Oaks provides a special opportunity for Independent Residents to have access to and coordination of Healthcare Services on an as-needed basis.

In order to participate in the CONCIERGE HEALTH & WELLNESS PROGRAM, Residents will go through a Comprehensive Intake Evaluation with Susan Vowels of Nursing Styles, and be on record as an Inactive Patient (until or unless services are immediately required). Residents are welcome to retain their existing healthcare resources under this program. For annual Independent Residents, there will be **NO COST for the Comprehensive Intake Evaluation with Nursing Styles (modest fee for Short-Term Residents).**

Moving forward and depending on the types of services rendered, there may be fees for mutually agreed upon healthcare or non-healthcare services not covered by insurance.

Nursing Styles can provide high quality, personalized home healthcare services you need for yourself or a loved one such as the Free Initial RN Assessment, Meal Preparation, Light Housekeeping, Shopping, Varying Levels of Nursing Care, Alzheimer Care Specialists, Taking to Appointments, Medication Management, Grooming, Bathing, Meal Preparation, Referrals and Coordination with Other Healthcare Professionals.

HURRICANE EVACUATION

For Independent Residents scheduled to join us during a possible evacuation, it is our policy that you are signed up with Nursing Styles in order to receive any healthcare-related services (should they become necessary).

For Independent Residents not scheduled to join us during a possible evacuation we still ask that, for contingency purposes, you are signed up with Nursing Styles should an alternative plan occur.

OTHER AGING IN PLACE SERVICES

For assistance with Non-Healthcare Related Services feel free to call or email Don Fitts at (941) 809-7298 or don.cornerstonelifecare@gmail.com.
