AI MADE SIMPLE FOR SENIORS!

**Friday, March 6, 2026
From 2:00 PM to 3:30 PM**

WORKSHOP OVERVIEW

Curious About How AI Works and Make Your Life Easier?

Join us for this fun and friendly workshop designed specifically for seniors like you! Only a few tech skills? No problem! We promise a relaxed environment filled with fellow "students of life" who are eager to learn together.

Think of AI as a Helpful Assistant!

Not a replacement for your thinking, and not something to be afraid of.

Our Goal is Simple!

By the end of this workshop you will feel confident using AI to help you plan, write, understand information, and make everyday tasks easier.

Key Topics:

- What AI Is and What It Is Not
- Using AI for Common Internet Searches
- Everyday Uses Seniors Care About
- Using AI to Understand Information
- Staying Safe and Smart with AI
- AI for Fun and Creativity
- Differences Among the AI Models

HANDS-ON EXERCISES

Be Sure to Bring Your Smart Phone, Tablet, or Laptop Computer!

Meet and Hear AI Experts Guide You in the Easy, Practical Steps of Utilizing AI.

They Will Teach and Instruct ...

- Accessing and Installing AI Models
- Determining the Best Prompts to Use as You Conduct Your Inquiries
- How to Use Voice or Typed Prompts
- How to Carry on Conversations with the AI Model
- Ways to Process the Results of Inquiries
