Alderman Oaks is delighted to welcome internationally recognized Lithuanian-born musician Dovydas Maščinskas, known professionally as DØVYDAS, for a special outdoor concert in our beautiful garden.

DØVYDAS is a gifted singer-songwriter, guitarist and multi-instrumentalist known for his remarkable ability to turn a live performance into a spontaneous musical experience. Blending elements of blues, rock & roll, Americana, folk and popular favorites, he combines outstanding musicianship with improvisation, audience interaction and his signature use of live looping—building layers of guitar, rhythm and other sounds right before the audience.

Born in Kaunas, Lithuania, Dovydas began pursuing music as a teenager and appeared on Lithuanian national television, including Lithuania's Got Talent. He later moved to the United States and developed a strong following through live performances and videos showcasing his creativity, humor and extraordinary versatility.

Now we have the pleasure of welcoming DØVYDAS to Alderman Oaks for a lively and entertaining evening under the Florida sky!
