

Join the New Neuro Challenge Parkinson's Support Group at Alderman Oaks

**Wednesday, November 4, 2026
2:00 PM to 3:00 PM**

SUPPORT GROUP DETAILS

Join a Neuro Challenge Support Group:

Whether you are newly diagnosed or have been living with Parkinson's for years, this group provides a place to connect with others who truly understand the journey. Participants share experiences, encourage one another, exchange practical ideas, and discover valuable resources in a caring and supportive environment.

We're excited to announce that we are expanding this support program. If you or someone you know would be interested in participating in this new support group—or would like to learn more—we would love to speak with you about joining us at Alderman Oaks for the upcoming program.

Together, we can build a stronger Parkinson's community filled with hope, encouragement, and practical support.
